

IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF UTAH
CENTRAL DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

vs.

ROBERT G. LUSTYIK, et al.,

Defendants.

ORDER

Case No. 2:12-CR-645-TC-DBP

Defendants Robert Lustyik and Johannes Thaler are scheduled to file an opposition to the Government's renewed CIPA Section 5(b) motion on August 8, 2014. (See July 8, 2014 Order (Doc. No. 723).) The court understands that counsel for Mr. Lustyik and Mr. Thaler may have filed additional information with the Government on July 30, 2014, as a supplement to their amended CIPA Section 5(a) Notice. The court directs the Defendants to include that additional information, if any, in their August 8, 2014 filing. To the extent the Defendants address information not previously included in their amended CIPA Section 5(a) Notice, the Government may file a surreply concerning that new information no later than August 11, 2014. Defendants will have an opportunity at the August 14, 2014 hearing to discuss the Government's surreply.

SO ORDERED this 1st day of August, 2014.

BY THE COURT:

TENA CAMPBELL
U.S. District Court Judge
